Title of Project: A Comparative Analysis of Seq2Seq and OpenAI Chatbots in Enhancing Sustainability in Fashion

Name of Project Student: Dharishina Selvaraj

Initial the box if you agree with the statement to the left

- 1 I confirm that I have read and understand the information sheet dated [6th April 2024] explaining the above project and I have had the opportunity to ask questions about the project.
- 2 I understand that my participation is voluntary and that I am free to withdraw at any time without giving any reason and without there being any negative consequences. In addition, should I not wish to answer any particular question or questions, I am free to decline. *Insert contact details here of project student.*
- 3 I understand that my responses will be kept strictly confidential. I understand that my name will not be linked with the project materials, and I will not be identified or identifiable in the report or reports that result from the project.
- 4 I agree for the data collected from me to be used in future research.
- 5 I agree to take part in the above project and will inform the project student should my contact details change.
